

**NAROOMA SURF LIFE SAVING CLUB**  
2021-22 SEASON ANNUAL REPORT

Narooma Surf Life Saving Club Inc  
Ballingalla Street, Narooma New South Wales  
Established 1981

# Our Mission

To save lives, create great Australians and build a better community.

Narooma Surf Life Saving Club is one of seven clubs in the Far South Coast Branch. NSLSC is a not-for-profit organisation registered under the Charitable Fundraising Act 1991.

Our club was re-formed in 1981 with the charitable purpose to practice and promote surf lifesaving and the application of first aid, in line with that of Surf Life Saving Australia. Narooma Surf Life Saving Club encourages the spirit of friendship and good social responsibility amongst members. We ensure beachgoers are safe at our beach and surrounding areas and provide surf safety education. The funds we raise help us achieve that purpose.

Main Beach was the popular choice for bathers, and its dangers also became apparent. A small group of experienced, regular surfers came together to help people who needed rescuing.

Volunteer lifesavers continue to keep our coastline safe. The red and yellow flags patrol Main Beach from September to April on weekends and Public Holidays. A call out team also responds to emergencies throughout the year.

The Nippers program for 5 to 13-year olds ensures that the next generation learn the valuable life skills and knowledge which may one day save their life, or even perhaps the life of another.

Volunteer Season Statistics	
Total Membership	207
Rescues	2
Preventative Actions	135
First Aid Treatments	2

# President's Report

## Brendan O'Mahony

PRESIDENT  
NAROOMA SLSC

I would firstly like to thank the Narooma Committee for their support during my first year in this role and without that support I think I would have been lost. It has been steep learning curve for me. We again have had a great season with a commitment by all Patrolling Members to the safety and wellbeing of those that visit our beautiful beach. Patrolling members are the backbone of our organisation. Weather resulted in a much quieter season, it still could not occur without the assistance of and perseverance of many club members. Our club presentation dinner saw many people recognised for their commitment to not only Surf Life Saving but to the Narooma Club as well.

The following members received awards:

**Club Person OTY - Ryan Hawkins**  
**President Award - Wayne Matters**  
**Surf Sports Award - Paul White**  
**Patrol Persons OTY - Cyann and Gary Vlatkovic**  
**Youth Patrol Persons OTY - Jade Vlatkovic and Kane Doull**  
**Nipper OTY - Jesse Doull**

Narooma was proud to have Jesse Doull and Bray Constable represent the Far South Coast Branch at the Junior Lifesaver of the Year in Collaroy. This event gave them valuable awareness of opportunities available to them and opened social networks with other young Lifesavers.

Kane Doull also won the U17 Pointscore Champion for the Branch and was selected for the SLNSW Youth Opportunity Makers Workshop.

We held the Far South Branch Championships this season where we saw a great double header carnival with the Senior Carnival held on the Saturday and the Junior Carnival

on the Sunday. We were able to facilitate a venue change on very short notice on the Sunday due to the increasing surf conditions. A great two days was had by everyone with some very close competition.

## Wambiri

Narooma again had great representation at Wambiri which is an experience that kids never forget. We had Joel Constable, Bray Constable, Jesse Doull, Max Van Zyl, Milo Van Zyl and Rogue Constable. All had great and memorable time and gained valuable skills which they can carry into their future lives as Young Adults.

## IRB's

We participated in several events involving our IRB's this year. We had three participants at this year's ALBERT weekend at Broulee with valuable experience gained by all those involved.

We also assisted Broulee with Round 2 of the Sharkskin IRB Championships. This giving all involved a taste for racing and prospects of representation at events in the future.

Narooma also participated in the SAREX exercise at Ulladulla conducted by the NSW Police Marine Area Command. Again, valuable lessons were learnt, and bonds formed between clubs from South Coast Branch with which we would not ordinarily liaise with. It provides participants increased understanding of both theoretical and practical knowledge in marine search and rescue operations. The SAREX will test our operational plans and provides learning experiences for all involved. We look forward for the next one at Eden later this year.

Our Club is currently very well positioned with Life Saving Equipment and gear and are now working towards consolidation and review of what we have and what we need. We look forward to both the Club Lifesaving Equipment Grant and Beach Safety Equipment Fund this

coming year. Both these grants take enormous pressure off the club not having to fundraise for essential equipment and allows vital and scarce money to go to other parts of our club.

#### **UAV'S**

Narooma benefitted from the expansion of the DPI UAV Program this year. It has seen a Drone being available at Narooma for the detection and identification of sharks in the area. This also has the benefit of being available for any Emergency incidents which may occur in the local area. This will be beneficial in incidents on the bar at Wagonga Inlet. It has resulted in several of our members being trained in their use.

#### **Vale Ray Hirst**

We had the sad passing of one of Narooma Surf Club's Life members, Ray Hirst, earlier this year. Although he was not actively involved to the extent that he used to be, Ray was always a regular around the Clubhouse. He would make the daily drive by of the Club, in the Honda, to check the surf and sea conditions. He was a character and one who will be sorely missed.

Again, thank you to the Committee who have supported me in my role. Thank you, Leanne and Belinda, in the great jobs that you do in keeping the club running and in the know. I cannot forget our wonderful energetic and always happy Club Captain Claudia Ferguson whose positive attitude influences all around her. She manages to get our Patrol Rosters done and motivate members to get involved and participate where they would normally be absent. You cannot forget Whitey, Dobbo and Max who are always there when needed and between them have decades of experience and knowledge in anything Surf Life Saving. We have seen Glenn and Belinda Bywater inducted as Life Members into the Narooma Surf Club. They have been instrumental in applying for and gaining grants which have resulted in numerous improvements to the Club. They have fulfilled the roles of Secretary and Treasurer respectively for many years and Glenn has officiated at many a carnival.

*Life Member, Steve "Dobbo" Dobson helping out at Nippers*

# Recognition

The Vlatkovic Avengers, Patrol Persons of the Year 2021-22

**DID  
SOMEONE  
SAY  
PIZZA?!**

# END OF SEASON CLUB NIGHT

We combined the junior and senior end of season presentations with a pizza and fire pit night downstairs. It was a great social night for our members to celebrate the season and recognise those receiving awards, ribbons and medals.

### Club Person of the Year

Ryan Hawkins

### Female Patrol Person of the Year

Cyann Vlatkovic

### Male Patrol Person of the Year

### Youth Female Patrol Person of the Year

Jade Vlatkovic

### Youth Male Patrol Person of the Year

Kane Doull

### President's Award

Wayne Matters

### Surf Sports Award

Paul White

### Female Junior Lifesaver of the Year

Jesse Doull

### Male Junior Lifesaver of the Year

Bray Constable

### Nipper of the Year

Jesse Doull

More than 50 of the state's brightest young lifesavers came together on the Northern Beaches in April for the Ingenia Holiday Parks Junior Lifesaver of the Year (JLOTY) Program and the Youth Opportunity Makers (YOM) Workshop – two of Surf Life Saving NSW's flagship youth development programs.

#### Junior Lifesaver of the Year

Congratulations to our two Narooma nominees, Jesse Doull and Bray Constable, who were selected to represent the Far South Coast Branch at the SLSNSW Junior Lifesaver of the Year Camp at Collaroy.

#### Youth Opportunity Makers

Congratulations to Kane Doull who was selected to attend the Surf Life Saving NSW Youth Opportunity Makers program for 15-17 year old members. Kane attended alongside FSC Branch members Ruby Coppin of Moruya SLSC and Ruby O'Leary of Tathra SLSC.

## Junior Lifesaver of the Year

## Youth Opportunity Makers Workshop

# National Patrol Service Awards

**SLSA has established National Patrol Service Awards, which are available to individual members in recognition of their long service to surf lifesaving patrols. The National Patrol Service Award is available to Surf Life Saving Australia volunteers who are eligible with a minimum of 16 hours each season.**

The following members were recognised with National Patrol Service Awards this season.

## 15 Years

Brendan Constable

Brendan O'Mahony

## 10 Years

Roger Adams

Chris Young

## 5 Years

Troy Beecham

Jae Constable

Narelle Constable

Nigel Constable

Claudia Ferguson

Curtis Hancock

Jade Hancock

Riley Miles

Ayron Patmore

Graeme Spicer

Jeremy Tague

Cyann Vlatkovic

Gary Vlatkovic

Jade Vlatkovic

James (Max) Young

*It is important to note, a number of these members (and others) have contributed many more years patrol service than stated above. Surfguard patrol data was digitised in 2004 so patrol hours recorded prior to this date has not yet been submitted for recognition. Any members who fall within this category are encouraged to flag this with the Secretary to make an application on their behalf next season.*

# Lifesaving

## Claudia Ferguson Club Captain

We celebrated zero-drowning deaths, 1,401 patrol hours over 53 patrolling days of the 2021/22 season.

Patrollers welcomed a new gear trailer and IRB. Youth participation on patrols increased this season, as we welcomed back patrollers who took a break through the 2020/21 season, during the COVID-19 pandemic.

There is a need for more Patrol Captains. With SLS NSW's new Patrol Captain education materials being released in time for the upcoming season, it's hoped more patrollers will step

up to take on new skills and responsibilities.

The season heavily relied on its superstar Patrol Captains, such as Gary Vlatkovic, to do back-to-back weekends as members fell ill with COVID-19 or were unavailable.

An IRB crew course ran early in the season to upskill a group of bronze members. It was great to connect with Tim Markovitch of Palm Beach SLSC who joined the club and put his hand up to assess our IRB crews.

There was a push to members to enrol in an IRB drivers course, however there was zero interest. Due to lack of IRB drivers at the

club, it was difficult to fill patrols with the required qualifications.

Youth member Jesse Doull proposed a Youth Girls' Encouragement/Engagement program which was positively received by the committee. Data was collected from a survey and a focus group of youth members towards the season end. Following the research, it resulted in the need for more social events and confidence-building activities to keep young females involved and to discover other pathways within Surf Lifesaving after graduating Nippers. The club is looking at taking the necessary steps towards funding and grants to support the program.

Senior/Junior Carnival	19/20 Mar 2022	Narooma

# Junior Activities

## Brendan & Leanne Constable Nippers Coordinator

Nipper! Nipper! Nipper! Narooma Nippers rock - thank you to all our Juniors for being such a great bunch of kids, having a go, supporting your peers and turning up with a great attitude. A big thank you must also go to all of our wonderful helpers who made for a fun season, who made it all about our juniors.

Our Nipper numbers have been on the decline over the past few years and is to be expected given the events affecting our community from the bushfire emergency to the COVID-19 pandemic which disrupted recent seasons. Each of our families will navigate their way back to weekend activities at their own pace, our 2021-22 season with

just 69 registered Juniors gave us the opportunity to enjoy a more relaxed and flexible program which was well received.

### AGE MANAGERS

We have been fortunate to have the support of a great team of age managers.

Ryan Hawkins' effort shined this season and was recognised with the Club Person of the Year award for his patience and kindness towards our youngest cohort, the U6 & U7 age group. When observing the Under 6 and 7 group you felt a need to smile and a want to join in the fun. In this his second year as Age Manager, Ryan's energetic, hands-on approach to his role was acknowledged on the beach by parents and Club members on many different occasions. His enthusiasm is infectious and inspiring as is his genuine concern for the kids in his care.

Another dedicated age manager is Adrian Cooper who always ensured the safety and well-being of his U8/9 age group. Adrian always arrived early to setup with his son Alex and no doubt found him packing up at the end of the session too. Thank you Adrian, this is so appreciated.

Ryan Miles has been involved with Narooma Nippers as long as we have,

actually I think longer! Ryan rocks up, a smile on his face, happy to switch around to fill a gap and even shows up when his kids are away at swimming events. We love you Ryan and everything that you bring; your experience, relaxed nature and happy demeanour.

Mick Ovington has been another reliable Age Manager who has volunteered for the last six years with his girls involvement and development as junior surf lifesavers. Thank you Mick for your continued support.

There are a list of helpers we call on to step up to fill the gaps, support our team, follow the groups around the activities and keep a watchful eye on our Nippers safety and well-being - thank you Monica, Tennealle, Carla, Simon and Jennifer, Lisa and Narelle.

### COACHES

How lucky are we to have the experience of Jenni Bourke and Chris Young teaching our juniors the fundamental skills in Flags and Sprints. Thank you both for volunteering your Sunday mornings as coaches and at carnivals as Officials, we are very appreciative of the effort you make to support our Nipper program each year.

## BARBEQUE

What would Nippers be without a sausage sanga at the end?! A big thanks to the BBQ team, Belinda Bywater and her Mum Robyn Brice are the lovely ladies who serve and do the kitchen prep week in and week out with the support of Lisa Beveridge from time to time. Glenn Bywater is our stock controller, ensuring we have enough bread, meat and drinks each week with John Brice, Paul White and Max Young our cooks. Thank you for all the effort that goes into providing our BBQ, it is a great service for our families and a good little fundraiser for the Club. We are never disappointed, well only when we miss out because we talk too much and are too slow to get up the stairs!

## WATER SAFETY

Without our water safety team there would be no water activities. Thank you to our ever reliable surf lifesavers who keep us safe and feeling at ease in the water. Not only do you patrol our beach on weekends and public holidays you put up your hand to volunteer on Sunday mornings at Nippers.

From the IRB to members on boards or with tubes, we thank you for all of your assistance this season. A special shout out to our regulars Jeremy Tague, Nige, Narelle and Jae Constable, Kane Doull, Sam Matters, Halle and Jorge Constable.

Our SRC did a great job performing water safety for the younger age groups as well. It is great to see you transitioning into cadets and being such terrific role models.

## CARNIVALS

Three great carnivals this season, Pambula, Broulee and a big finish at home in Narooma.

Thank you to our Officials and Water Safety, without their voluntary support we would not be permitted to compete. Narooma Nippers did us proud not only with great results but for the good sporting attitude and team spirit we expect from you.

Our carnival weekend was a huge success, thank you to everyone who lent a hand setting up the beach, helping in the kitchen and on the BBQ. I think we can single Jorge out here for the incredible amount of time he spent raking up seaweed!

Sunday's surf conditions forced the carnival referee to relocate our water events to the Net beach in Wagonga Inlet. Our members switched into gear and had the water areas ready to go so it was a smooth transition from beach to water events. Thanks to everyone for pitching in.

Brendan and I took off to Tassie in January (I went by plane and Brendan by Surfboat lol) and so a big thanks to

everyone for stepping up whilst we were away, in particular Glenn who took the reins.

### Next season's wishlist;

- Keep it relaxed and flexible
- Have all-in warm up activities
- Mentor new Junior Officials
- Board and swim training weekday sessions
- Train new age managers
- Find someone to help us with social events
- Lots of surf education
- Emergency drills
- New equipment to make learning fun!

# Hall Management

## Glenn Bywater Hall Manager

Hall use has remained steady this year.

This is partly due to the lingering effects of COVID.

Hall hire from Pilates, tai chi and quilters groups has continued.

We have had community groups such as Rotary use the hall for meetings with good feedback on the premises.

Numerous birthdays, weddings and engagement parties have utilised the hall throughout the year with further hall bookings for these types of events received.

Hopefully the renovation to the bar will be completed soon, and the insulation will be installed.

I would like to thank Paul White for his input and help throughout the year.

# Radio Communications

## Wayne Matters, Radio Officer

In the last 12 months we have purchased 2 new Hytera radios. This coming year we will need to service 3 of our newer radios, they are the PD782G model. Gerald Davies from Jet Rescue is accredited and has offered to visit to all South Coast clubs to provide club radio servicing. I will be in contact with him to get our radios serviced. Everything else is all good to go for the 2022/2023 season.

# Vale Ray Hirst

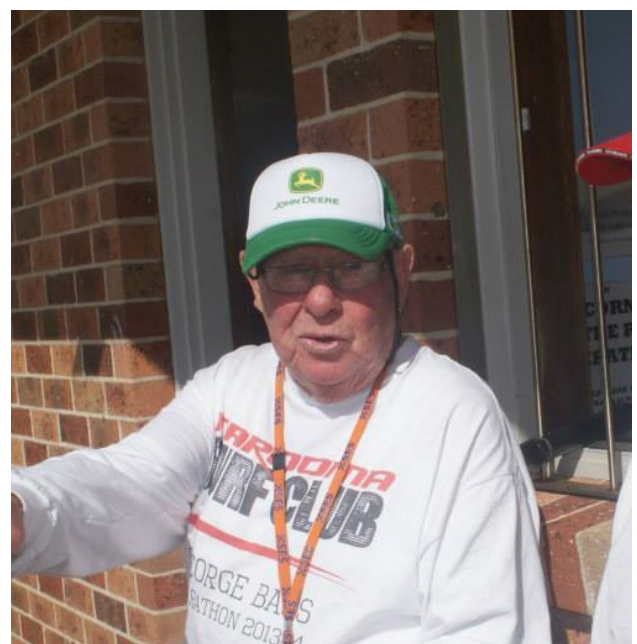

Sadly this season we said farewell to Narooma Surf Club life member, our good friend Ray Hirst. Thirsty aka Radio Ray was a part of the furniture in our club for many years and not only did he ensure the smooth running of our radio communications, you could count on Ray to be a friendly face at our meetings and social functions.

Ray was the backbone of the George Bass support crews, always making sure that logistics were covered so that the rowers had a good breakfast,

supplies at sea, got a good feed when they came to shore and dinner was catered when it was time to camp.

Ray also volunteered for many years with Marine Rescue and especially enjoyed his role as one of the Numnuts Winter Swimmers group.

Rest easy Thirsty.

# Partnerships and Fundraising

*Breakfast on the Beach, Australia Day 2022*

## **Belinda Bywater** **Treasurer**

A very big thanks to all who helped with the nippers BBQ, carnivals, the duck race, Australia Day breakfast and all other fundraising events throughout the year. We could not do this without you!

We were lucky enough to be able to hold our major fundraising events again this year, the duck race and the Australia Day breakfast.

COVID restrictions hampered person to person sales of the duck race tickets this year. Leanne came up with the brilliant idea to sell the tickets online. This was hugely successful and resulted in a total sell out.

This year we received the following donations and grants: -

- A generous donation of \$300.00 from Narooma Lions this year.
- Council provided a \$1,750.00 grant for replacement of the mats for training.
- Rotary provided a generous donation of \$1,000.00.
- The BSEF grant funds of \$15,000.00 were once again made available to our club for the update of safety equipment.
- Surf Life Saving Services donated \$500.00.

Our auditors, Gleeson & Partners, do a fabulous job getting our financial report together and on occasion, signing off on our grant funding. A big thanks to them.

I wish to thank everyone who has donated and provided funding to our club. Without their support, we would not be in a position to provide the services we do.

*Paul "Whitey" White on the BBQ*

## Government Recognition

Narooma Surf Life Saving Club acknowledges;

- The NSW Government for the support of Resilience NSW for the ongoing funding of state-side operations, which benefit all members through our cooperative agreement
- The NSW Government for the support of the Office of Sport, for their support to increase usage, safety and participation in Surf Life Saving through ongoing programs
- Federal Government for the Beach Safety Equipment Funding which directed monies to every SLSC for the purchase of vital rescue equipment, first aid and medical supplies.
- Federal Government for the VET Funding which enabled hundreds of assessors to update their training qualifications and provided clubs with updated training equipment.
